Attn: Jeffrey Pope, Reports Analysis Division

Identification Number: C00448654

Reference: 12 Day Pre-Primary Report (4/4/08-5/14/08)

Dear Mr. Pope:

In reference to your letter dated June 12, 2008, please consider this letter an amendment to our 12 Day Pre-Primary Report

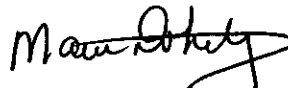

The contribution from Hanger Orthopedic Group, dated April 11, 2008, was not excessive to my knowledge. Hanger Orthopedic has been a qualified multicandidate committee since November 28, 2007, prior to the acceptance of this contribution. Enclosed please find a copy of Hanger Orthopedic's Notification of Multicandidate Status that I obtained from the FEC website.

The Sheet Metal Workers International Association Political Action League's April 11, 2008 contribution of \$1,500 should have been listed as General, not Primary. The report has been adjusted.

As to the other contributions listed in your letter, we have recently retained the services of the Brand Law Group and respectfully request an additional two weeks to address the validity of those contributions. Stanley Brand will be in contact under separate cover.

As always, I appreciate your diligence in assisting us with the compliance rules.

Yours truly,

Maureen A. Doherty
